MARINO **BERNASCONI** SA

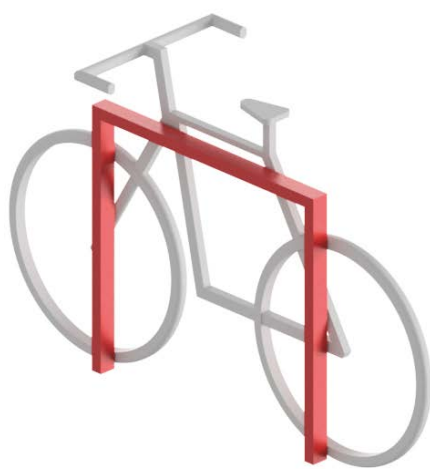

CICLOPARK® PARKING

Serié 30

Supports pour vélos en métal tubulaire, sur lequel un ou plusieurs vélos peuvent être fixés.

Afin de permettre une fixation sûre au sol, ce modèle est disponible aussi bien dans la version à cheville au sol que dans celle à enterrer et à sceller.

Leur conception simple et contemporaine les rend parfaits pour une installation à proximité des écoles, des parcs et des centres commerciaux.
